It is understood at Vallejo that the new rules to go into effect at the navy yard do not contemplate the wholesale discharge of the workmen. With the exception of a few men all will be retained unless some other order is received from Washington.

For Stealing Flowers.

A woman giving the name of Mrs. Zenola plead guilty in the Justice Court Wednesday to stealing flowers from the residences of Messrs. Coffin and Summerfield. Sentence was suspended, as it is generally believed that the woman did not steal the flowers, but is shielding someone who did. In the meantime she is kept in jail, in the hope that a few days' jail life will induce her to divulge the name of the guilty, petty thief.—Tribune.

We understand the flowers went to adorn the coffin of the unfortunate girl who suicided recently, in which case they served a worthy purpose, and further prosecution should be done away with.
